

"I Just Want To Be Me"

As recorded on *The Children of Selma*

Verse #1: I don't want to be you,
I just want to be me.
I don't want to be you,
I just want to be me. For when you

Love yourself, you don't
Want to be anyone else.
I can tell my mind what to do anytime.
I'm so glad I'm free to be me.

Verse #2: I don't want to be you, (Echo)
I just want to be me. (Echo)
I don't want to be you, (Echo)
I just want to be me. For when you

Love yourself, you don't
Want to be anyone else.
I can tell my mind what to do anytime.
I'm so glad I'm free to be me.

Verse #3: Repeat Verse #2

Ending: I don't want to be you, (Echo)
I just want to be me. (Echo)
I don't want to be you, (Echo)

I just **want** to be, I just **need** to be,
I just **have** to be, I've just **got** to be me!
