# **“Discover and Identify”**

Words and Music by Fred Penner  
From the CD: What A Day!

**Chorus:**      **What are we going to search for?**      **echo**  
                 **What are we going to find?**      **echo**  
                 **Open up your eyes,**      **echo**  
                 **Don’t leave anything behind.**      **echo**  
                 **We’ll know it when we see it.**      **echo**  
                 **And we’ll see it when we try**      **echo**  
                 **To discover and identify.**      **echo**

**Verse #1:**      Will it be new or old?  
                 Made of silver or gold?  
                 Treasures from Japan,  
                 Or the bones of ancient man?  
                 We need a hint, a clue.  
                 Did it come here from Peru?  
                 Is it smaller than a pin?  
                 Is it tall or is it thin?      **Chorus**

**Verse #2:** Will it be heavy or light?  
Hiding left or right?  
By a log or up a tree?  
Where on earth could it be?  
Is it deep under the ground,  
Where it never will be found?  
Is it a trick, a trap?  
If we only had a map.

<b>Chorus:</b>	<b>What are we going to search for?</b>	<b>echo</b>
	<b>What are we going to find?</b>	<b>echo</b>
	<b>Open up your eyes,</b>	<b>echo</b>
	<b>Don't leave anything behind.</b>	<b>echo</b>
	<b>We'll know it when we see it.</b>	<b>echo</b>
	<b>And we'll see it when we try</b>	<b>echo</b>
	<b>To discover and identify.</b>	<b>echo</b>
