"Discover and Identify"

Words and Music by Fred Penner
From the CD: What A Day!

Chorus:	**What are we going to search for?**	**echo**
	What are we going to find?	**echo**
	Open up your eyes,	**echo**
	Don't leave anything behind.	**echo**
	We'll know it when we see it.	**echo**
	And we'll see it when we try	**echo**
	To discover and identify.	**echo**

Verse #1: Will it be new or old?
Made of silver or gold?
Treasures from Japan,
Or the bones of ancient man?
We need a hint, a clue.
Did it come here from Peru?
Is it smaller than a pin?
Is it tall or is it thin? **Chorus**

Verse #2: Will it be heavy or light?
Hiding left or right?
By a log or up a tree?
Where on earth could it be?
Is it deep under the ground,
Where it never will be found?
Is it a trick, a trap?
If we only had a map.

Chorus:

What are we going to search for?	**echo**
What are we going to find?	**echo**
Open up your eyes,	**echo**
Don't leave anything behind.	**echo**
We'll know it when we see it.	**echo**
And we'll see it when we try	**echo**
To discover and identify.	**echo**

Eating all the leaves from the bamboo tree.

Chorus

Sleeping with his mommy curled up in her lap.

But now there are so few.
And if they are to survive
It's up to me and you.

Bridge: So come on everyone
Let's join up in the band.
We'll save the animals in the sea and
Also on the land.

It's up to me and you.
It's up to me and you.

He combed his hair with a wagon wheel.
He had a toothache in his heel. So,

Get out the way, Old Dan Tucker!
You're too late to get your supper.

The left one made his big toe itch. So, **Chorus**

Verse #4: I came to town the other night.
I heard the noise and saw the fight.
The kids were runnin' all around, cryin',
"Old Dan Tucker's back in town!" So, **Chorus**
